HomeTown Bank, N.A.

Press Release

**HomeTown Bank Welcomes Jim Goebel**

Jim Goebel has joined HomeTown Bank as a Vice President and Loan Officer at the League City office. Jim and his wife, Joanie, recently moved here from Missouri to be closer to their two sons and families. Jim was a music educator before entering the financial services and banking field in the early 1990s. For the past 15 years, Jim was the branch president of a community bank in Higginsville, MO, a rural community near Kansas City. He is a past Rotary Club president and a former Chamber of Commerce board member.

“Joanie and I fell in love with this area after our first visit to see our older son,” he said. “We are so excited to be here now. HomeTown Bank is a great customer-centric and community-focused organization, where I can continue to gain personal satisfaction from helping customers meet their financial needs, having a real positive impact in their lives. There is a fantastic ‘hometown’ feeling everywhere and with everyone I meet!”

Please stop by and meet Jim when you have an opportunity, especially if you have a lending need. He is exciting to meet our customers and become involved in the area.
