

HomeTown Bank Announces Cantu, Chatman Promotions

Stephany Cantu
Senior Vice President

HomeTown Bank has promoted Stephany Cantu to Senior Vice President and Jenny Chatman to Vice President.

Stephany Cantu joined the HomeTown Team as a Teller in 2002. She served as a New Account Representative and worked in the Loan Department until 2010, when she was promoted to Assistant Vice President. She was named Vice President in 2014, in charge of human resources, payroll and employee benefits.

Cantu is a 2016 graduate of University of Houston-Clear Lake, with a B.S. in Management. In 2017, she achieved credentials as a Certified Professional from the Society of Human Resource Management. She is past-chairperson and current member of the HomeTown Bank United Way committee.

"I'm so grateful for the relationships that I've built in my years here at HomeTown Bank," she said. "The employees and customers make it such a continuously rewarding place!"

Jenny Chatman joined the bank as a Teller in 2013, and became a HomeTown Bank Personal Banker that same year.

She was promoted to Assistant Vice President and BSA Officer in 2016, responsible for the administration of the Bank Secrecy Act, regulations issued by the Office of Foreign Assets Control (OFAC), and all other related anti-money laundering regulations and laws. She earned her designation as a Certified BSA/AML Professional in 2018.

"It's truly a blessing to be part of a business that not only values its customers and employees," she said, "but also works hard to improve the communities where we all work and live. I am grateful for this opportunity, and look forward to many more years as part of the HomeTown Bank team."

Jenny Chatman
Vice President
